

The Utah Core Standards impact every school, teacher, administrator, and student in Utah. The Core Academy is designed to provide a common platform of conversation and language throughout the state to support teachers' and districts' awareness and understanding of the Standards that will guide their instructional practice. Districts are encouraged to create their own plans for continued development using those teachers who have facilitated and attended the Core Academy as a resource.

The 2013 Core Academy will provide high quality instruction in mathematics, English/language arts, and elementary science to complement and support the integration of the Utah Core Standards and to ensure that all Utah students are college and career ready.

The Core Academy for summer 2013 will include the following content areas:

- Elementary Mathematics (grade bands K-1, 2-3, 4-5, and 6)
- Secondary Mathematics (grade bands 7-8, Secondary I-II, and Secondary III)
- Elementary English/Language Arts (grade bands K-1, 2-3, 4-5)
- Secondary English/Language Arts (grade bands 7-8, 9-10, 11-12)
- Elementary Science (grade bands 3-4 and 5-6)

The Core Academy will also continue providing information and professional development for site and district administration:

• Administrator's Day on Wednesday at each location

Enrollment Process

- Districts and charter schools are limited to enrolling teachers based on the following guidelines for the first two weeks of registration.
- We intend to open registration in mid-March, but do not yet have a specific date from OnTrack.
- Information will be updated about registration on the webpage (http://www.schools.utah.gov/CURR/main/Core-Academy.aspx) and through the Curriculum Directors email list.
- After the first two weeks of registration, all remaining seats will be considered open.

During the first two weeks, enrollment is limited to teachers identified by the LEA

- Districts and charters have the opportunity to identify the teachers they want to enroll during the first two weeks of registration. This ensures equitable access to seats based on district size.
- Teachers who are not identified on the district list will not be able to register during the first two weeks.
- Districts and charter schools should identify the teachers who will support ongoing implementation at schools and grade levels in accordance with district professional learning plans.
- District Curriculum Directors and Charter School Directors will receive a spreadsheet on which enter the information for teachers who will be cleared to register during enrollment.
- Teachers who are on the registration list <u>will not be registered</u>. They will still have to register individually in OnTrack during the two week period.
- Spreadsheets will be returned to Tiffany Hall at tiffany.hall@schools.utah.gov

Wasatch Front North, Central, South Registration

Wasatch Front districts are:

- Alpine***
- Box Elder*
- Canyons**
- Davis***
- Granite***
- Jordan***
- Murray*

- Nebo**
- Ogden*
- Provo*
- Salt Lake City**
- Tooele*
- Weber**

Charter schools or USDB teachers in those boundaries are considered Wasatch Front. These guidelines are for the first two weeks of registration <u>at any Wasatch Front location</u>. Districts are **not** assigned to any location.

Additional Registration Information

- Registration will be required by individual teachers using the OnTrack system. LEAs will not be able to register teams of teachers.
- Courses will be capped at 30 participants per section. OnTrack will start a waiting list of up to ten (10) people after the limit of a section is reached. An email will be sent from OnTrack when a participant is moved from the waiting list and into a course.
- Registration for the administrator day (Wednesday at each site) will begin with open registration for the Academy.

Credit

Participants who attend all four full days of the Core Academy will receive two USOE credits. Credits will be posted on OnTrack after the session and completion of the post-session survey.

Participants who register and miss more than four (4) hours will receive an Incomplete on their OnTrack transcript.

Participants who register and do not attend any day of the Core Academy will receive a No-show on their OnTrack transcript.

Communication to Participants

All communication to participants who register for the Core Academy will be through the OnTrack system via the email address listed in the participant's OnTrack profile.
